

NATHAN'S STORE today is not the store it was four years ago, or two, or even a year ago. We study your wants, and every day add something to our stock.

Yesterday three of our lady customers made the very same assertion: that they always came to Nathan's, then if they did not find what they wanted went elsewhere. We have hundreds of just such customers. Are you one of them? If not why not?

HOUSTON - TFF AS

IS AGUINALDO DEAD?
Manila, May 2.—General Funston has discovered a Filipino war hero near Calanatuan, province of New Egijs, containing all the archives of the Malolos government. Aguinaldo's correspondence up to the time of his flight and much valuable historical matter.

The belief is growing that Aguinaldo was killed by the Igorottes. There is no proof that he has been alive since Major Peyton C. March of the Thirty-third regiment abandoned the chase after the Filipino leader in the Benquet mountains, although a native officer who recently surrendered to General Young says that the Filipino general, Tinto, holds this belief. Tinto held regular communication with Aguinaldo until December 28, since which time he has heard nothing from him and Tinto thinks Aguinaldo would find means to communicate with him if alive. Major March's information was that there were only half a dozen soldiers with Aguinaldo

when he fled beyond the Bontoc wilderness, where the savages are hostile to all strangers. Friends of Aguinaldo's wife assert that she has heard nothing from him since they parted. She is in a delicate condition and nearly prostrated with worry. Therefore she has not been informed of the death of her child and thinks it is with friends at Bacoor.

You will always regret it if you don't buy your clothing at Feinberg's while the cut prices are in force.
